## Farewell And Best Wishes

To our summer students

As we close out the last week of August we say farewell to our Summer Students, Alexandra Galamini, Christopher Blain and Nathan Monk who are all returning to their respective Post-Secondary studies.

Nathan brought two summers of previous Visitor Centre experience to our team and was quick settling into the role of Visitor Information Counsellor. Both Christopher and Alexandra, raised in Kitimat, were eager to learn all they could on the new projects and developments in Kitimat and explore some of Kitimat's highlights such as the Giant Spruce, the Kitimat River Fish Hatchery and of course a visit with Sammy Robinson out at Kitimaat Village.

As usual, the eleven weeks have flown by with the opportunity to meet visitors from neighbouring communities such as Smithers and Terrace and as far away as Germany and Australia.

We wish you all the best in your studies, Nathan, Alexandra and Christopher.
