Making Kitimat a better place to work and live.

The Kitimat Chamber of Commerce has been serving the community since 1955. We are a non-profit organization and part of the British Columbia and Canadian Chamber of Commerce. Our Board of Directors is comprised of business people and community leaders who are dedicated to serving the local business community.

Let the Kitimat Chamber of Commerce be your voice on issues that affect your business and help us make Kitimat a better place to work and live.

HOW CAN WE SERVE YOU?

We are excited about the growth and direction of commerce in our area and are committed to working tirelessly to ensure there are many opportunities for our Members to thrive. Take a look through our member benefits and see the many ways the Chamber can best serve you and your business.

WHY JOIN THE KITIMAT CHAMBER OF COMMERCE

The Chamber is the central and unified voice of businesses and represents the business community at the various levels of government. We have a very powerful voice through our association with the BC and Canadian Chamber of Commerce. Our organization is the forum through which many Kitimat companies meet and do business. The Kitimat Chamber of Commerce is a dynamic way to network with other business people and participate in matters that shape our business community.
